Grants, Awards, and Academic Honors

Graduate Research Fellowship , National Science Foundation	2025
Institutional Nominee for the Google PhD Fellowship Program , University of Michigan <i>One of up to 4 candidates from the University of Michigan selected through a competitive application process.</i>	2025
Columbia College Dean’s List , Columbia University	2020 – 2024
Departmental Honors in Linguistics , Columbia University Linguistics Program <i>One of two graduating linguistics majors selected for honors, on the basis of the quality of the senior thesis.</i>	2024
Computer Science Scholarship Award , Columbia University Department of Computer Science <i>One of two graduating B.A. candidates selected annually on the basis of “outstanding academic achievement in computer science.”</i>	2024
Work Exemption Program Grant , Columbia University <i>Recipient of \$1,820 Columbia Grant (financial aid) to support pursuit of research in the Columbia Speech Lab.</i>	2024
Fulbright-Hays Group Projects Abroad Fellowship , American Councils for International Education <i>\$7000 award to study Mandarin Chinese through the Taiwan Intensive Summer Language Program. Conducted post-program outreach: organized information session in partnership with Columbia University Undergraduate Global Engagement, presented study abroad opportunities to 27 students in 2 undergraduate Chinese language classes at the University of Michigan, authored blog post for American Councils’ website.</i>	2024
Outstanding Undergraduate Researcher Award - Honorable Mention , Computing Research Association	2023
Junior Phi Beta Kappa , Columbia University <i>The highest scholastic distinction in the Columbia College Class of 2024 (awarded to top 2% of students).</i>	2023
Upsilon Pi Epsilon International Honor Society Member , Columbia University <i>In recognition of GPA in the top 15% for computer and information science juniors and seniors at Columbia.</i>	2023
REU Travel Grant , National Science Foundation	2023
NSF Research Experiences for Undergraduates Intern , University of Southern California	2023
Distributed Research Experiences for Undergraduates Intern , Computing Research Association	2022
Critical Language Scholarship Alternate , U.S. Department of State <i>Eligible for fully funded program to study Mandarin Chinese abroad, in case of finalists declining their awards.</i>	2022
Computer Science Research Mentorship Program Scholar , Google	2021

Research Experience

Blablablab, University of Michigan <i>Graduate Student Research Assistant (Advisor: Professor David Jurgens)</i>	Ann Arbor, MI August 2024 – Present
Assemble corpora of written and spoken code-switched language from Wikipedia and publicly available podcasts, to enable study of sociolinguistic factors in code-switching, using data processing pipeline integrating SQL database, Whisper ASR model, and language identification. Design experiments to evaluate large language models’ ability to perform code-switched reasoning, implemented using OpenAI API and vLLM.	
Speech Lab, Columbia University <i>Research Assistant (Advisor: Professor Julia Hirschberg)</i>	New York, NY January 2022 – May 2024
Investigated pragmatic factors in code-switching by developing dialog act annotation scheme for code-switched speech. Discovered positive association between empathy and code-switching by detecting empathetic utterances	

in code-switched Mandarin-English speech, using RoBERTa fine-tuned for empathy detection. Fine-tuned Wav2Vec2 for end-to-end dialog act classification on Switchboard Dialog Act Corpus, using PyTorch and Hugging Face Transformers. Processed video, audio, and text with Python, Praat, and FFmpeg, for multilingual empathetic speech corpus.

Affective Computing Lab, University of Southern California

REU Intern (Advisor: Professor Jonathan Gratch)

Los Angeles, CA

May 2023 – August 2023

Developed negotiating agent for online studies of human negotiation behaviors. Engineered large language model prompts for agent NLU/NLG with OpenAI API. Built user interface using HTML, CSS, JavaScript, Flask. Assembled Qualtrics survey for crowdworkers to evaluate agent. Lead author of paper published in proceedings of *MobiHoc '23*.

Vision, Language, and Learning Lab, Rice University

Visiting Student Researcher (Advisor: Professor Vicente Ordóñez-Román)

Houston, TX

May 2022 – July 2022

Quantified visual and linguistic complexity in MSCOCO image captioning dataset by creating and applying novel visual complexity metric. Fine-tuned BERT to predict visual complexity from image captions and probed and mitigated its content-related biases. Presented poster at Columbia University's 2022 Undergraduate Research Symposium.

Columbia Daily Spectator

Data Journalist

New York, NY

October 2021 – May 2022

Reported stories incorporating data analysis and visualization using Python, Adobe Illustrator, HTML, and CSS. Recruited and trained reporters in data journalism. Communicated data analysis methods to non-technical editors. [[Articles & graphics](#)] [[More articles & graphics](#)]

Natural Language Text Processing Lab, Columbia University

Data Annotator (Supervisor: Fei-Tzin Lee)

New York, NY

October 2021 – December 2021

Generated Abstract Meaning Representation semantic annotations for literary domain text generation.

Cortier Lab, Columbia University

Research Assistant (Advisor: Katherine Moore)

New York, NY

March 2021 – June 2021

Identified communication strategies in collaborative learning dialogues by annotating speech acts and analyzing n -gram frequencies with R. Onboarded research assistants to annotate measures of learning success.

Teaching Experience

Columbia COMS3771: Machine Learning

Course Assistant

New York, NY

January 2024 – May 2024

Columbia LING4903: Syntax

Teaching Assistant

New York, NY

September 2023 – December 2023

Columbia COMS3251: Computational Linear Algebra

Course Assistant

New York, NY

September 2022 – December 2022

Columbia COMS1404: Emerging Scholars Program Seminar

Workshop Assistant

New York, NY

September 2021 – May 2022

Columbia SCNC1000: Frontiers of Science

Frontiers of Science Ambassador

Virtual

September 2020 – December 2020

Leadership/Service

University of Michigan Artificial Intelligence Laboratory

AI Blog Editor

Ann Arbor, MI

August 2025 – Present

Create, edit, and proofread the Michigan AI blog, and encourage blog contributions from graduate students in the Michigan AI Lab. [[Blog](#)]

Engaging Scientists in Policy and Advocacy

Secretary and Social Media Coordinator

July 2025 – Present

Keep accurate records to ensure continuity of ESPA's institutional memory, so that we can also continuously improve our initiatives. Ensure timely communication of relevant opportunities to members. Increase ESPA's public visibility, furthering our mission of fostering publicly engaged science and science communication. Foster useful collaborations and connections between ESPA and aligned organizations/individuals via social media.

The Michigan Daily

Correspondent

Ann Arbor, MI

May 2025 – July 2025

Authored two ~2000-word ledes and one ~1600-word secondary article for *The Statement*, the long-form magazine of *The Michigan Daily*. Conducted background research, interviewed sources, drafted articles, performed photography, and coordinated with editors. [[Articles](#)]

Café con Ling

Mentor

Virtual

December 2024 – Present

Mentor current undergraduates in the Columbia University Linguistics Program through peer mentoring program which provides by-appointment office hours.

University of Michigan Language Resource Center

Language Bank Program Volunteer

Ann Arbor, MI

November 2024 – Present

Translate documents from English to Mandarin Chinese for University of Michigan departments/schools and external non-profit organizations.

University of Michigan Graduate Society of Women Engineers

Outreach Volunteer

Ann Arbor, MI

August 2024 – Present

Served on graduate school information panel sharing insights with undergraduates on applying to graduate school, finding undergraduate research opportunities, and developing mentoring relationships. Conducted K-12 outreach with Community Action Network by volunteering for museum visit serving children from under-resourced families in Washtenaw County.

University of Michigan Computer Science and Engineering Graduate Students

Member

Ann Arbor, MI

August 2024 – Present

Advised computer science PhD applicant by providing detailed feedback on application materials, as well as general advice about the application process, through the Student Application Support Program. Hosted Tea Time social hour to build community among graduate students.

Michigan Taiwanese Student Association

Volunteer

Ann Arbor, MI

August 2024 – Present

Build community among Taiwanese graduate students at the University of Michigan by assisting operations at monthly social events.

University of Michigan Taiwanese American Student Association Big/Little Mentorship Program

Mentor

Ann Arbor, MI

September 2024 – April 2025

Mentored 1 current University of Michigan undergraduate, providing academic and career advice and participating in community-building activities.

University of Michigan College of Engineering

Common Reading Experience Book Selection Committee Volunteer

Ann Arbor, MI

November 2024 – January 2025

Reviewed 2 books to facilitate the process of selecting a book for the University of Michigan College of Engineering's Common Reading Experience, which aims to foster community, non-technical skills, and curiosity among engineering students. Provided feedback via surveys and group discussion.

Columbia College Alumni Association

Odyssey Mentoring Program Mentor

Virtual

October 2024 – December 2024

Mentored 1 Columbia College undergraduate through holistic discussion of academics, career paths, and personal goals.

University of Michigan Computer Science and Engineering Division

Building Bridges in CSE PhD Studies Volunteer

Ann Arbor, MI

October 2024 – November 2024

Conducted outreach to underrepresented undergraduates by delivering talk introducing my research and the U-M CSE graduate program at Florida International University. Hosted one-on-one coffee chats with prospective computer science graduate school applicants.

University of Michigan Computer Science and Engineering Division

Ann Arbor, MI

EECS 110: Discover Computer Science Interview Volunteer

September 2024 – November 2024

Volunteered to be interviewed by a current student in EECS 110: Discover Computer Science, a course designed to introduce underrepresented students to computer science. Provided student interviewer with perspectives on potential CS career paths, graduate school, research, and internships.

Columbia University Women in Computer Science

New York, NY

Academic Committee Co-Lead

August 2023 – May 2024

Organized academic-related programming to support gender-diverse Columbia University computer science students, including workshops on course selection and lunches with female computer science professors. Hosted weekly coffee chats to provide students with advising on computer science internships, research, and courses.

Columbia University Application Development Initiative

New York, NY

Mentor for Computer Science Mentorship Program

October 2022 – December 2023

Supported 2 undergraduate computer science majors with one-on-one academic and preprofessional advising.

Columbia University Women in Computer Science

New York, NY

Community Committee Chair

August 2022 - May 2023

Organized activities focused on building a gender-diverse community of Columbia University computer science students, including an information session introducing the technical interview process, as well as social activities such as arts and crafts nights.
